Note:

- All tariffs are charged in Pak Rupees when billed. US dollar to Pak rupee exchange rate applied for each calendar month is open market exchange rate on 23rd day of the preceding month.
- Tariffs are calculated using prevailing exchange rates and subject to change without prior notice.
- Calls are billed in minute increments. However charging for incoming calls is on foreign operators' discretion (not necessarily on per minute basis).
- Countries where operators charge Terminating Fee shall have higher incoming call charges by the same amount.
- All calls made to numbers listed in visited country are treated as Local calls.
- All calls made outside the visited country, except calls back to Pakistan, are treated as International calls.
- Calls made and received on roaming will not include any free minutes that may apply to Tariff Plan.
- Fax and Data facility will not work while on roaming.
- While abroad, customers can contact Jazz's International Roaming Helpline on +923008470112 / +923002000100. "Call to Pak" rates apply.
- Government taxes apply.
- Calls to Satellite, Premium rate, Toll-free numbers and Emergency numbers may be charged at higher rates as charged by foreign operators.
- For AT&T USA, normal outgoing call will be charged at the start of Ring time, or incomplete calls with minimum duration equal to or greater than 30 seconds increment
- Countries may be shifted to different zone without prior notice. For updates, please contact Jazz Helpline or visit our website at www.Jazz.com.pk
